## Police Facility Research Committee Meeting Agenda November 5 6:00PM

1. Discuss the town owned plots of land.
  1. Middle road- Map 211/Lot 023 (2.36 acres) next to 139 Middle road, appears to be an open field, but the Town's mapping does not show it as conservation land, maybe some restrictions.
  2. Middle road-Map 217/Lot 103 (abuts the recreation land)
  3. Scrabble Road- Map 209/Lot 025 (5 acres)-Wooded vacant lot next to 141 Scrabble road residence
  4. Behind the Fire Station
  5. Adjacent to the Fire station

All other parcels investigated by Eric Kelley are either landlocked, wetlands/floodplain, are located in residential neighborhoods, or are listed with conservation uses which may limit their redevelopment.

2. Discuss and formulate plan for Norwich University and Keene State College Engineering Students
  - Which group will be assigned to the town owned plots?
  - Define the expectations of the design
3. Present Captain Roy's rough sketch of P.D. to include a list of needs and wants.
  - See minutes from 9/10/18 meeting for specific discussion on needs and wants of new facility.
